

1. The FCC should not implement any proposal that would lessen Indiana's Telephone Privacy law protections.
 2. It has been so nice not getting those unwanted calls at meal time and bedtime.
 3. Indiana's law has helped me greatly to get rid of the unwanted solicitation. Many evenings I would get as many as 4 calls.
 4. One of the most important things to remember is who is paying for my phone time? I am! I should get to choose how I use it not solicitors. I should not have to listen to abuse when I tell them NO!!!!!!!!!!
- Thank you for your time. Please let each decide it fate.
